

## Declarations on the doctoral thesis

(Dr. rer. nat.)

1) I herewith declare that I have not previously participated in any doctoral examination procedure in a mathematics or natural science discipline.

2) I hereby declare that the submitted thesis entitled:

---

---

was written independently and that only the resources and aids specified in the thesis were used. In particular, all references borrowed from external sources are clearly acknowledged and identified.

3) I affirm that I have followed the principles of good scientific practice and that I have not made use of the assistance of a commercial doctoral agency.

4) I hereby declare that, if available, primary data will be retained and kept accessible for ten years.

With my signature I confirm the declarations mentioned in 1) to 4).
